

Missing Grades or Assignments in Synergy?

If you are missing your grades or assignments, one of the things you need to check is to see if the proper grading period is marked. You can look here on your assignment tab.

Sections Grading Periods Resources

Apply the marks for this assignment to the following grading periods:

- ☐ P1
- ☒ Q1
- ☒ P2
- ☒ Q2
- ☐ S1

If it is from before 1st progress, 1st progress and the rest should be marked. If it is from after 1st progress, it should look like this.

If you do not have them all marked, you can go under gradebook, look for assignment, and change them in there or email one of Cholla's TTLs for a more detailed explanation on how to fix the problem.
