Hello Students, Parents and Guardians,

We hope everyone had a safe and relaxing summer break. The new school year is just about to begin to prepare yourselves for another year of academic and personal excellence. If you are a return student, we want to welcome you back. If you are an incoming freshman or new to Cholla, we want to be the first to welcome you to the Charger Family!

Here at Cholla, faculty and staff are committed to raising student achievement for ALL students. Last school year we saw an improvement in graduation rate, student attendance, higher ACT scores, and a dramatic drop in Discipline (specifically aggression). Students, it's very important to place personal pride in everything you do during your time here. This will be your opportunity to take advantage of some great programs that will better prepare you for life after high school. I would like to highlight some of our amazing programs that help

Cholla High School stands out from other high schools:

- International Baccalaureate
- JROTC
- AVID (Site of Distinction)
- CTE
- Honors Classes
- Dual Enrollment Opportunities

We wish you a successful school year full of personal and academic growth, so be ready to work August 4th!

Make sure you are on time for every class every day.

Thank you,
Cesar Miranda
