CANCELLED Junior PSAT Scheduled for January 26th CANCELLED

Dear Cholla High School Class of 2022 students and parents:

Health and safety related to Covid-19 has made it so we will NOT be able to offer the PSAT for 11th grade students on January 26th at Cholla High School. The PSAT will not take place.

How to ensure you are considered for the National Merit Scholarship?

Please submit an *Alternative Entry Form* for the National Merit Scholarship Corporation (NMSC) by following the steps found [HERE](#). **Juniors wishing to be considered for National Merit should submit this form IMMEDIATELY!**

In addition to this form, juniors will need to submit an SAT score as soon as they become available by sending an official report of your SAT scores to NMSC (code 0085) by October 15, 2021.

Students can register for a Saturday national testing date at one of the locations around Tucson through their College Board account. To create a College Board account, Collegeboard.org. The Saturday SAT testing dates for this Spring are: March 13, May 8, & June 5. Additionally, there is always a Fall SAT test in August (date TBD) in which scores would be received in time to be submitted for the October deadline.

What about National Hispanic, African American, or Indigenous Scholar Awards?

The College Board is currently working on this. More information should be available in soon on alternatives.

Will there be a different make-up date for the PSAT?

January is already the make-up date from October. As of right now, the College Board has no plans of offering another make-up date. The PSAT's offered to 10th grade and 9th grade later in the year WILL NOT qualify juniors for National Merit.

Can I take the PSAT test somewhere else?

Most schools order only enough tests just for the students at their school, most other schools/testing locations will not be able to accommodate you. Cholla High School is NOT able to assist you with finding another place to test. If you choose to try this, it will be 100% your responsibility.

Will the ACT test still be given?

The ACT is scheduled to be given to students in the class cohort of 2022, in April. This test will be given, if students are back to campus. Information will be shared as soon as we know.

Questions

Maria.cabral@tusd1.org or text (520)329-2789

Thank you for your understanding and we will continue to keep you up to date with all communications regarding your plans for college, career and testing.
