April 1, 2022

Dear Parents & Guardians,

It's time for State testing!

On **Thursday April 7th**, Cholla High School will be administering the **ACT (11th Grade) & ACT Aspire (9th Grade) Tests to our 11th and 9th graders only**. These tests are state mandated, and your student's attendance is required. Please arrive promptly at 8:00am as these are timed tests. **Students arriving after 8:15 cannot be tested.**

****Juniors taking the ACT must bring photo ID to check into their testing locations. This can be a state issued ID or school ID.****

Because of the length of both the ACT and the ACT Aspire, no classes will be held on Thursday, April 7. Freshman and Juniors will test all day and **Sophomores & Seniors will spend the entire day with one assigned teacher as a study hall.**

Bell Schedule	ACT & ACT Aspire Testing	April 7 th 2022
Morning Bell	8:00 am	
1 st Lunch	11:50 – 12:20	ACT Testers (Juniors)
2 nd Lunch	1:00 – 1:30	All other students
Dismissal	3:00 pm	All students

TUVA online students that wish to participate in testing, need to be on campus by 8:00am on Thursday, April 7. Please come to the front office and you will be escorted to your testing location. All CDC health guidelines will be followed to ensure a healthy testing environment.

Parents, please stress the importance of testing and the possibility of earning scholarships to college. Make sure your student eats a healthy meal (lunches & breakfasts are still free at school) and gets enough sleep the night before testing. Everyone is encouraged to bring a water bottle & fill it up before testing. Finally, testing protocol requires that cell phones be put away for the entire test session. If you need to communicate with your students, please call the office at **225-4000**. All materials will be provided for testing, so we ask that backpacks be left at home.

If you have questions or concerns about testing, email Stephen Sagi @ **Stephen.sagi@tusd1.org**. Thank you and we look forward to seeing your student on April 7th!

Stephen Sagi

Testing Coordinator
