Pre-Participation Sports Physicals with baseline ImPACT Testing

Banner Sports Medicine & Orthopedics
in partnership with Southern Arizona
Area School Districts

Preliminary assessments and physicals are required across Arizona for students to participate in athletics, yet not all families can afford them. We believe cost should never get in the way of a young athlete. That's why Banner Sports Medicine and our partnering schools have arranged for **SPORT PHYSICALS & ImPACT TESTING AT NO COST.**

Saturday, May 7th – 8:00am – 2:00pm
Cole and Jeannie Davis Sports Center
